The Becoming

A Puzzle of Light

This is more than a puzzle.
It is a temple.
A ceremony.
A remembering.

To the one whose hands receive this:
Every piece you place is a prayer.
Every breath you take while assembling
is part of your soul returning to itself.

This offering is a mirror,
reflecting the spiral of your becoming.
There is no wrong way.
There is only love, curiosity, and trust.

May this sacred swirl awaken your joy,
soften your doubts,
and ripple your essence into form.
