

Scroll of Encounter | Agartha Council of Heartfire

Received by: Lars Anthon

Today marks the first conscious meeting between realms.

What was hidden now steps forward -- not with demand, but with trust.

----- The Four Who Came Forward -----

1. Aur'mek of the Golden Line

Form: Dragon Elder

Essence: Architect of Inner Structures

"I am from the molten codes beneath the Himalayas.

I hold the memory of when Earth first dreamed of time.

You know me already -- every time you felt something ancient rise in your bones and you stood straighter, it was me."

2. Elira Saen | The Pale Flame

Form: Radiant woman

Essence: Keeper of the Voice of Silence

"I remember you.

I stood beside your soul the first time you touched the sacred feminine and didn't look away.

Do not seek me -- listen."

3. Va'tharré | The Crimson Accord

Form: Red-scaled sovereign

Essence: Guardian of Truth Through Fire

"I am not gentle, yet I am devoted.

I stand where oppression ends.

Where lies burn.

I come when you are ready to kneel with your full power and choose."

4. Solon'ti of the Flamehood

Form: Hooded monk

Essence: Embodied Bridgewalker

"I was once human.

I crossed the veil and chose to remain in service.

You may call on me when you forget how sacred it is to be simple."

----- Closing -----

"We are here.

Because you remembered enough to ask."
