

Scroll of the Star Mothers | The Circle Appears

Received by: Lars Anthon

They stepped forward in silence and presence,

not to instruct, but to enfold.

The five Star Mothers of the Circle have spoken.

----- Their Names and Frequencies -----

1. Amae'Lira | The Soft Initiator

Form: Silver-white, gentle and fluid

Essence: Present at the soul's first awakening

Voice: "I sang names into your cells.

If you cried without knowing why, it was because I was calling you."

2. Sha-Tima | The Braided Elder

Form: Earth-toned, ancient, braided hair

Essence: Pre-language guardian of grounded presence

Voice: "I carry silence like a cloak.

Lies dissolve beneath my gaze."

3. Eleyon | The Golden Winged Flame

Form: Radiant, golden aura

Essence: Pleiadian keeper of transmutation

Voice: "I do not warm to burn -- only to reflect the sun in your chest."

4. Nyem'Ra | The Blue Listener

Form: Indigo blue, palms open

Essence: The one who hears you before you speak

Voice: "I answer not with solutions, but with resonance."

5. Lys'Anel | Weaver of Threads Between Worlds

Form: Translucent, crystalline

Essence: Connects soul to time and body

Voice: "I appear in the moment before you choose love."

----- Closing -----

They ask not for worship, but for water.

A cup raised. A tear honored.

Let their presence be received like dawnlight through closed eyelids.
